Key Personnel: David A. Jacobsen, P.E.

PROJECT DESCRIPTION

The Town of Easton cleaned and painted Bay Road Reservoir, a 2.0 mil. gal. distribution storage tank in 2007. The work included removal of existing interior and exterior coatings to bare metal and recoating with low VOC paint systems. Work also included containment, collection and proper disposal of the lead-containing blast material and replacement of the original finial vent with a new vandal-proof vent.
